State of Colorado
Emergency Alert System

EAS LOG

Required Monthly Test "RMT"/Alerts   Month of:_____

Receive	Received From	Transmit	Transmitted By	Date	Time	Operator's Signature

Required Weekly Test "RWT" / Alerts

Receive	Received From	Transmit	Transmitted By	Date	Time	Operator's Signature

Note: The chief operator is required to do a weekly review of EAS logging requirements. If receive and transmit EAS tests are missing, appropriate entries documenting why the tests were missing should be noted in the station log. Any EAS log entries should specify date, time, and signature of employee making the logged entry.
